

Kiddie Gym (Ages 5 and under)

Welcome from the Parks & Recreation Department,

Thank you for having an interest in our Kiddie Gym program. This is our 9th season running this popular program, which runs from the end of October/first of November until approximately mid – April, (or sometimes a few weeks longer if it seems too cold for the kids to get outside to play!) The program takes place on Tuesday and Thursday mornings from 10-11:30 am. Once you have registered your child in the program, there is no need to call ahead - just show up. The cost is \$2 per child per visit. We also have discounted punch passes available: a 15-visit pass for \$25 or a 30-visit pass for \$45.

Registration for Kiddie Gym can be done on-line at www.windhamrecreation.com (no payment required at the time of registration), in person at the Parks and Recreation Department or on the first day your child comes to the program. Once your child is registered in this program, your family will be entered into our on-line registration system, and you will be included on e-mails promoting our programs and other community programs as well. Feel free to call the office to learn more about how to access your family account.

We look forward to you joining us for the 2016-2017 Season.
