Twenty Five years together from Portland, ME. These pros have played it all! Original rocking blues, soul, country, and funk... with some new twists on classic standards.

July 14th American Ride

American Ride-THE HOTTEST MODERN COUNTRY BAND IN SOUTHERN MAINE! Zac Brown, Jason Aldean, Luke Combs, Toby Keith, Kenny Chesney, LOTS of Chris Stapleton...The top hits from top country charts and much more!!!!

July 21st World Famous Grassholes

Among the longest continuously playing bands in Maine, the World Famous Grassholes are a five-piece traditional bluegrass band that guarantees a good time. If you're a fan of the Grand Ol' Opry, fast licks, bad jokes, tall hats, and slick boots, you'll feel right at home in front of the Grassholes. Hot off the release of their fourth album, "South Congress," the Grassholes come to Windham as part of their summer gazebo tour!

July 28th Country Roads

Country Roads was the 2018 Pine Tree State Country Music Association Modern Cover Band Winner! We've played throughout New England for the last 6 years. We are one of Maine's best modern country cover bands performing songs by Jason Aldean, Tim McGraw, Kenny Chesney, Luke Bryan, Toby Keith and many more.

Raindate for any missed concert will be August 4th
